Transform your residential, educational, or commercial space while safeguarding your heat pump in style!

Our covers offer an anti-tamper barrier with sleek aesthetics. Crafted from durable aluminium & available in virtually any colour.

KEY FEATURES

- Sleek design, with (mostly) concealed screws
- Architectural grade aluminium extrusion
- Highly durable, non-rusting
- Fixing points available for attachment to floor or wall
- Very low maintenance
- Huge range of powdercoat colours available.
- 10 Year Warranty (residential)
- Flat-packed for easy on-site assembly and installation
- Custom sizes available
- Available NZ wide

FINDING THE RIGHT SIZE FOR YOUR COVER

Measure your Aircon unit (Width x Depth x Height). Remember to include allowances for pipework and mounting blocks.

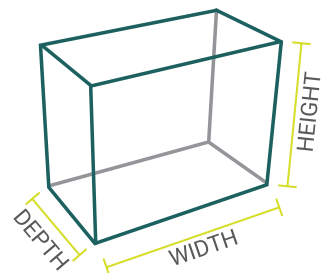

Add clearances as below:

Width - add a minimum of 130 mm to unit size.

Depth - add a minimum of 90 mm to unit size.

Height - add a minimum of 20 mm to unit size.

Allow 100 mm clearance from back of the cover to the wall, or as recommended by the manufacturer of the unit.

Enhance and protect your outdoor space with ScreenPro's premium heat pump covers – the ultimate blend of style and functionality. Our covers not only safeguard your air conditioning or heat pump condenser but also elevate the appearance of your outdoor area.

Crafted from architectural non-rusting aluminium and available in twenty-five standard Dulux powder coating colors (with more choices on request), ScreenPro covers are designed to integrate flawlessly into any outdoor environment. Visit our website to explore the full range and find the perfect match for your home. For your convenience, they're delivered flat-packed and are easy to install.

With the largest range of options, excellent delivery time-frame, and customer service second-to-none, we're your trusted partner in transforming your outdoor space. Join us in setting a new standard in AC covers and enjoy the benefits of ScreenPro quality and excellence.

For more details or to make a purchase, contact our friendly customer support team today!

PREMIUM NEW ZEALAND CRAFTSMANSHIP

Meticulously crafted in New Zealand, each product reflects UNEX Systems' precision and dedication since 1981, embodying a legacy of quality.

IN-HOUSE POWDERCOATING & FABRICATION

With our own fabrication facilities and in-house powdercoating capabilities, we ensure strict quality control and offer a wide range of colour options to suit your preferences, providing you with endless possibilities to customise your cover.

THE BIGGEST RANGE

Choose from an array of styles, sizes, and colours to perfectly complement your outdoor space. With bespoke custom-made options available, finding your ideal cover has never been easier.

RAPID DELIVERY

At ScreenPro, we prioritise swift delivery. Standard sizes and colours are despatched within 5-7 working days, ensuring you can enjoy your new cover without delay. This is possible because everything is made and powdercoated in-house.

EXCEPTIONAL SUPPORT

From selection to delivery, our dedicated customer support team is here to assist you every step of the way. Trust us to provide the guidance and technical support you need for a seamless experience.
